Best Regards,

Dear Business Owner,

If your company is looking for employees, we may be able to help. Recent closings have caused significant job displacement in the state of Indiana. To assist these hard-working Hoosier families affected by job loss, Franklin College has teamed up with us, Congressmen Steve Buyer, Dan Burton and Mike Pence to cosponsor the Hoosier Job Fair.

I invite your company to participate. The event will be held on Monday, July 19, 9:30 A.M. – 4:30 P.M., in the Franklin College Spurlock Center. This gymnasium is an excellent facility. There are no fees associated with participation or admission.

Many affected employees will be on hand. This event will attract experienced employees from Arvin-Meritor, Best Buy, Alpine Industries, United Airlines and others. We'll also have hundreds of new entries into the workforce and workers looking for a new direction. The experience and education levels of attendees will be diverse. Because these employees' needs are so great, we would request that those companies being represented in this free event are actively looking to hire at least one employee.

Eight-foot tables and chairs will be provided for each business booth. You're encouraged to bring a trade show booth if your business has one; power supply will be made available.

Please take a moment to fill out the enclosed response card and return it if your company would like to reserve a space in the Hoosier Job Fair. You can also email your response to Michelle Proctor in Congressman Steve Buyer's Plainfield office at Improctor@mail.house.gov. If you have questions about the event, please contact Michelle directly at (317) 838-0404.
